

## GO TO CHINA

The Chinese website [www.abenco.cn](http://www.abenco.cn) is currently under construction and will be online in a few weeks. Soon you will find all relevant information you need about online tests in Chinese.

English and Mandarin.  
We have adapted the online tests and standardized them.  
The following online tests are available in Chinese or being developed

The information is in Chinese.  
Our Chinese employees have adapted the online tests for Chinese culture for the Chinese market. Some items are either already available or are well on their way to (validation and

standardization phase):

### Personality tests

BIP®  
BIP®-6F  
SoCo

### Project exercise

Creativa  
Go live  
Highlight P

### Analytical tests

Analytical test  
Highlight F

In addition, we offer professional training for assessors (with a certificate) and training in understanding the results of the personality tests mentioned above.
